

THREATENED SPECIES ART & WRITING COMPETITION

Discover which species are threatened and the dangers that threaten them.

Animal list

Red-crowned Toadlet Vulnerable

- Habitat loss
- Poor water quality
- Too many fires
- Climate change

Cumberland Plain Land-snail Endangered

- Habitat loss

Giant Burrowing Frog Vulnerable

- Habitat loss
- Disease
- Poor water quality
- Climate change

Bush Stone Curlew Endangered

- Foxes and cats
- Habitat loss
- Too many fires

Gang-gang Cockatoo Vulnerable

- Habitat loss
- Climate change
- Disease

Swift Parrot Endangered

- Habitat loss
- Collision with wire netting/windows and cars

Painted Honeyeater Vulnerable

- Habitat loss
- Heavy grazing
- Removal of large trees

Blue-billed Duck Vulnerable

- Habitat loss
- Pollution
- Too many fires
- Illegal hunting

Grey-headed Flying Fox Vulnerable

- Loss of hollow trees
- Pesticides
- Loss of foraging habitat

Barking Owl Vulnerable

- Habitat loss
- Removal of fallen trees/logs
- Too many fires

Eastern Freetail-bat Vulnerable

- Habitat loss

Long-nosed Potoroo Vulnerable

- Habitat loss
- Too many fires

Koala Vulnerable

- Habitat loss
- Poor water quality
- Too many fires

Eastern Pygmy Possum Vulnerable

- Habitat loss

Rosenberg's Goanna Vulnerable

- Habitat loss
- Vehicles

Spotted-tailed Quoll Vulnerable

- Habitat loss
- Poisoning
- Competition with cats/foxes

Yellow-bellied Glider Vulnerable

- Habitat loss
- Loss of hollow trees
- Loss of feed trees

Broad-headed Snake Endangered

- Vehicles
- Removal of bushrock
- Removal of hollow trees

Dusky Woodswallow Vulnerable

- Habitat loss
- Exclusion by over abundant aggressive birds

Squirrel Glider Vulnerable

- Habitat loss
- Loss of hollow trees
- Cats/dogs/foxes

Brush-tailed Rock Wallaby Endangered

- Habitat loss
- Foxes/dogs/cats
- Competition with feral goats
- Too many fires

THREATENED SPECIES ART & WRITING COMPETITION

Discover which species are threatened and the dangers that threaten them.

Plant list

Brown Pomaderris

Vulnerable

- Habitat disturbance such as bushwalking
- Habitat loss
- Illegal dumping

Bynoe's Wattle

Endangered

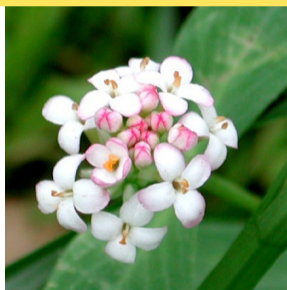

- Habitat loss
- Too many fires
- Weeds

Spiked Rice Flower

Endangered

- Habitat disturbance such as mowing
- Animal grazing
- Too many fires
- Weeds

Downy Wattle

Vulnerable

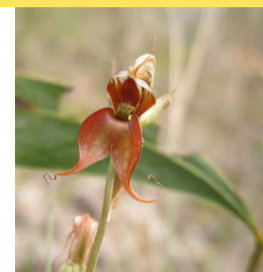

- Habitat loss
- Habitat disturbance such as weeds
- Too many fires
- Disease

Sydney Plains Greenhood

Endangered

- Habitat loss
- Weeds
- Human activities such as bushwalking, trail bike riding and unauthorised collection

White-flowered Wax Plant

Endangered

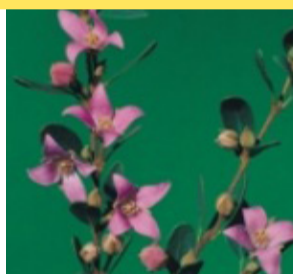

- Habitat loss
- Habitat disturbance such as weeds
- Too many fires
- Animal grazing

Rupp's Boronia

Endangered

- Habitat loss
- Habitat disturbance such as weeds
- Too many fires
- Animal grazing

Nodding Geebung

Endangered

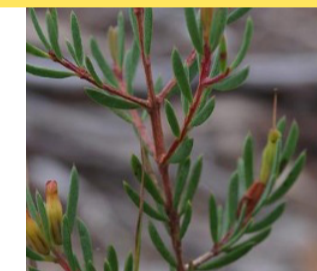

- Habitat loss
- Too many fires
- Weeds

Darwinia Biflora

Vulnerable

- Habitat loss
- Weeds
- Illegal dumping

Thick-leaf Star-hair

Vulnerable

- Habitat loss
- Habitat disturbance such as too many fires

Camden White Gum

Vulnerable

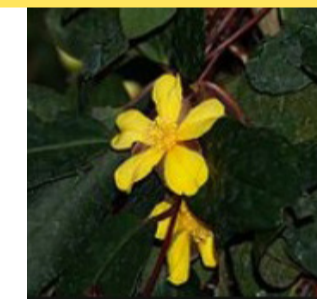

- Changes to fire patterns
- Weeds
- Feral pigs

Hibberita Puberula

Endangered

- Habitat disturbance such as bushwalking
- Habitat loss
- Weeds
- Animal grazing

Woronora Beard-heath

Vulnerable

- Small distribution

Prickly Bush Pea

Vulnerable

- Habitat disturbance such as too many fires

Deane's Paperbark

Vulnerable

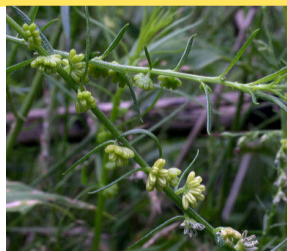

- Habitat disturbance such as bushwalking
- Habitat loss
- Weeds
- Too many fires

Gyrostemon Thesioides

Endangered

- Habitat loss
- Weeds

Matted Bush-pea

Endangered

- Habitat loss
- Habitat disturbance
- Outcompeted by weeds and natives

Netted Bottle Brush

Vulnerable

- Habitat loss
- Low numbers

Small-flower Grevillea

Vulnerable

- Habitat loss
- Illegal dumping

Bauer's Midge Orchid

Endangered

- Habitat disturbance such as animal grazing
- Weeds

Bargo Geebung

Vulnerable

- Habitat loss
- Too many fires
- Habitat disturbance such as mining
- Illegal dumping

Hairy Geebung

Endangered

- Habitat disturbance such as mountain biking
- Habitat loss
- Weeds
- Too many fires
