Risk Assessment

Children will be leaving the service30 minutes prior to movie time with the session approximate time being 10.15-12.30. Travel will be via 3 x service buses with the anticipated arrival time back to the service at 1.30pm

Risk Level	Likelihood - Rare (R), Unlikely (U) Likely (L) Consequence Minimal (I) Moderate (O) Major (A) Severity Red (3) Yellow (2) Green (1)					
Activity	Hazard Identified	Risk Assessment (use matrix)	Elimination/control measures	Risk Assessment (use matrix) after elimination/control measures applied	Who	When
Travelling to location by: 3 x service buses	Collision while driving	UI2	Bus mobile phone to be taken while transporting passengers. Bus first aid kit to be available on the bus to manage any injuries. Staff member with first aid to assess passengers for injury. Staff member to communicate with emergency services or Coordinator based on the severity of incident. Staff member to also contact Responsible Person or Nominated Supervisor to identify collision. Responsible person to contact Depot to assist in replacing bus transport to either return to the service or continue on bus route to excursion. Responsible person to collect other driver information including licence and registration. If the collision is not critical then once back at the service the Responsible Person is to communicate with Risk management all relevant information and complete identified forms	UI1	All educators	When on the bus
Travelling by service buses	Movement of children using bus	UI2	The Transportation Record is to be completed on each individual bus at departure from service and arrival at destination by conducting a head count of children signed in the Electronic Sign In System against physical number of children or child records for bus run. A responsible person to be present on each bus run. Responsible person to be allocated a phone to ensure communication is available. If at any time the safety of the passengers is compromised (for example a child not following directions from an educator) then the bus driver will	UI1	All educators	When on the bus

			pull over and support the educator to manage the risk until it is safe to drive again			
Travelling by service bus	Children being transported by bus.	UI2	An Excursion Checklist will be completed prior to leaving excursion by Responsible Person. Utilisation list will be provided to educators by Responsible Person to identify what group children are placed in with all groups identified. Children will be provided with wrist bands to support grouping. All groups will complete a head count before departing from locations and reported to Responsible Person.	UI1	All educators	When on the excursion
Embarking/ disembarking bus	Embarking/ disembarking bus		The Transportation Attendance Record is to be completed on Departure and Arrival of destination by conducting a head count of children signed into the Electronic Sign In System against physical number of children in each bus. Educator to exit the bus first and remain in the front of the line. Immediately after all passengers have disembarked from the vehicle, a staff member will physically walk to the back of the bus and check there are no children left on the bus (including under the seats) before locking the vehicle. (Additional headcounts can be conducted when the Responsible Educator feels is necessary to ensure the safety of the children in our care). Educator to complete final check of bus by walking to the end of the isle once parked and ready to lock up.		All educators	When Embarking / disembarki ng bus
On excursion	Children moving away from staff and children	LM2	Staff to communicate with each other to make each other aware that a child has left the service/group. Educator to assess the direction of the child heading, observe what the child is wearing and make a judgement call if to follow. Educator to call emergency services if child is moving away from the service/group and does not seem to be returning. A second educator to contact Supervisor or Coordinator to arrange additional support if needed. Second educator to then call parent/carer to notify of child leaving the service and the current direction they are headed. Once child is located/returned, educators to debrief and complete documentation such as incident report, note to file and serious incident	UI1	All educators	When on excursion

			Risk Assessment			
			reporting to coordinator where required.			
On excursion	First aid and Medical Management during transportatio n of children	UM2	At least one educator with first aid qualifications is in attendance on transport route to assess injuries or provide medical support. Up to date first aid kits is packed. A mobile phone is to be taken.
